What is Anchorage?

Anchorage is a 4-month residential treatment program designed to help you work through core issues related to alcohol and drug addiction. Anchorage is located at 175 George Street in Ottawa, Ontario.

The Community Reinforcement Approach

The Anchorage program uses the Community Reinforcement Approach (CRA). The CRA approach is based on the idea that people are more likely to be able to maintain the changes they make when they begin to experience the rewards of a recovery lifestyle. This can include:

- Developing positive resources to support your change
- Participating in rewarding social activities
- Strengthening relationships and connection with others
- Discovering your purpose
- Achieving short/long term goals
- Developing spiritual connection.

Admission Criteria

Everyone who is interested in attending the Anchorage program will be asked to attend our **Stabilization** program. Stabilization is located on the 4th floor in the general shelter building, at 171 George Street. **Please visit** www.ottawaboothcentre.org for an application package.

Incarcerated Clients

Individuals who are facing legal action or incarcerated may apply for the Anchorage program through their legal counsel or direct contact with the Addictions Services team. Admission criteria remains the same as above in that, Stabilization must be completed before graduating to another long term treatment facility.

Individual Counselling

While in Anchorage, you will meet every week with an addictions counsellor. You and your counsellor will work together to identify issues and work towards recovery goals.

Your time with your counsellor is yours to use however you may choose. You may be interested in talking about any of the following topics:

- Stress
- Anxiety and depression
- Anger management
- Self esteem

While at Anchorage

Anchorage can accommodate up to 24 men at a time. You will have access to the kitchen, Lounge area with TV. There is also staff on site 24 hours a day, 7 days a week at the Anchorage Front Desk, should you require support at any time.

Treatment at Anchorage consists of regular group programming, in addition to weekly meetings with your counsellor.

Weekly group programming consists of:

- Relapse Prevention
